Parsons, Marshall, Ore., Tip Foree, Blackburn, Tobe Foree, Marshall. His home has been at Blackburn until recently. Mr. Foree was a prominent Mason and a splendid man and the sorrowing family has the community's sympathy. His funeral occurred at Blackburn Tuesday.

CHAS. E. LOGSDON died at the home of his mother, Mrs. Mary Logsdon, on E. Porter street, in Marshall, Thursday, April 13th, aged 39 years. Deceased had a paralytic stroke some two years ago, and while he has been up most of the time till the past six months, he has not been in good health. He came from St. Joseph last week, and arrived in an exhausted condition. Thursday he collapsed, his heart giving way, and only lived a short time. Four brothers and two sisters, besides the wife and mother, live to grieve over the passing of one who was so dear to them. Eld. B. T. Wharton conducted the funeral services at Blackburn, Saturday morning, and the remains were laid to rest in Blackburn cemetery.

RILEY GRANT died at the Colony April 11th of epilepsy, aged 45 years. While he was an inmate, he was a very valuable man to the Colony. He had charge of the shoe repairing shop and was in good health, except when seized by attacks. He had been an inmate for six years, and was a large man, and will be remembered by many who have visited the Colony.

EDNA TOLLEY, an inmate of the Colony, died of epilepsy Friday, aged 12 years. She was a low grade patient.

ALVA BERG died at his home in College addition Tuesday, April 18th, aged 64 years. Death resulted from a long and painful illness. A wife and three children survive him. The funeral was held at the home Wednesday at 3.30 by Rev. Faris, after which the remains were taken to Corder by the stricken family.

Winslow, two miles north of Shackelford. Funeral services were held at Union church Thursday at 11 o'clock and the remains were laid to rest in Union cemetery.

Word was received here last week that E. W. Camel who went to the Soldiers Home at Leavenworth, Kansas, the first of March had died there the 5th of April and was buried at the Home on the 7th. He was a splendid old man and was known and loved by hosts of friends in this city which had been his home so long.

SILAS CAVE died at his home in Higbee, Wednesday, April 19th, but no particulars have been received. He was a brother-in-law of George Carr, of Slater.

Rev. East Smith was down from Kinkaid to spend Easter with Mrs. Margaret Smith.

Church News

Mrs. A. H. Stephens and Mrs. C. P. Blaney attended the Women's Presbyterial meeting of the Kansas City Presbytery at Linwood church last week.

Mrs. C. L. Bell entertained the Sunbeams of the Marshall Methodist church at her home Saturday afternoon. The greatest pleasure was found in hunting the Easter eggs, which were hidden all about the lawn. After they had found them all, refreshments were served. Each little sunbeam received a basket of candy eggs to carry away.

The Y. W. C. A. held the annual afternoon Easter service at Stewart Chapel last Sunday. These services have always been good ones in both musical features and addresses, and the service last Sunday was no exception. After several choice musical selections and hymns by the congregation, Dr. A. H. Stevens made the Easter address. His subject was: "Things That Are Lost—Things That Are Left." The college numbers are almost invariably good ones.

The ladies of the missionary societies in the churches at Napton, Smiths' Chapel and Memorial joined in an Easter service last Sunday. An excellent program consisting of a few choice musical numbers, some readings and addresses were furnished. The three churches are very capable of furnishing such an entertainment.

Templar Easter Services

The Knights Templar of Marshall held a beautiful Easter service at the Baptist church Sunday afternoon. The audience was a good one, and fully enjoyed an excellent program, which was as follows:

1. Organ Voluntary, "Procession at March"—Mrs. E. F. Biddle, Organist.
2. Processional Hymn, "Onward Christian Soldiers"—Congregation.
3. Responsive Reading.
4. Prayer and Responses.
5. Easter Anthem—By choir.
6. Scripture Reading.
7. "Eternal Day"—Mixed Quartette.
8. Scripture Reading.
9. Apostles' Creed.
10. Prayer.
11. Hymn—"All Hail the Power"—Congregation.
12. Sermon—by Rev. J. E. Abbott.
13. Prayer.
14. Duet—Mrs. G. W. Bouliware, A. R. James.
15. Benediction.

A Rally-Day Series

The Christian Church is in the midst of a series of rallies. Sunday before last was the first, with the girls in charge; last Sunday the boys conducted the service, with W. G. Rea superintending. Next Sunday the ladies from the oldest to the youngest, will be supreme and the following Sunday which closes the series the men will arrange the program.

Last Sunday, Will Rea and his boys did themselves credit; there was a nice orchestra and a good program with the largest audience of the year, 394 persons. The collection was for the Orphan Home in St. Louis and resulted in \$108.58. The Sunday School will have to work hard to keep so good a record.

They will have a chance to think things over and may have a better memory at their trial.

35th Wedding Anniversary

Mr. and Mrs. J. M. Fisher celebrated their 35th wedding anniversary at their home one mile east of Miami, Tuesday afternoon, April 11. Many friends and relatives gathered in honor of the occasion being about 40 in number.

Mr. Fisher was born in Virginia. He came to Missouri when 24 years old. Here he has resided since. He has been a very successful farmer, has visited his old home place twice since he first came here but thinks old Saline is hard to beat for a home place.

He married Miss Virginia Casebolt at the age of 27. He bought a farm 29 years ago and there he and wife have lived to the present day. Mr. and Mrs. Fisher are the parents of 13 children of these 11 are living, 3 are married, 9 children and 6 grand children were present Tuesday. There were only two present who witnessed the marriage ceremony 35 years ago, Harry Wheeler, who is an uncle of Mrs. Fisher and Pete Casebolt, her brother. After an hour or two of pleasant chatter broken now and then by music the guests were invited to the dining room. There they partook of a sumptuous lunch consisting of sandwiches, salad, ice cream and cake. Then the cutting of the brides cake caused no little amusement. Miss Joy Wheeler finding the dime, Miss Angie Wheeler the ring and Miss Lorraine Thorp the darling needle.

After lunch all bowed in prayer while Bro. Powell offered up thanks to the Lord. Many beautiful presents were received and all seemed to enjoy the occasion and left hoping Mr. and Mrs. Fisher would live to enjoy many more happy anniversaries. A guest.

Stock Market

National Stock Yards, Ill., April 19.

Receipts of cattle have been moderate the first few days of the week. Monday's and Tuesday's market has been about 10c higher. To-day, good receipts, running mostly to good beef cattle and the market is showing a decline of 10 to 15c. Prices are about steady with last week's close on all except heavy beef cattle, which are showing a decline of about 15c. Top on heavy cattle this week, \$6.00. Butcher stuff about steady with last week's close.

We had heavy hog receipts all week and a lower market each day. It was the lowest to-day that we have had in over two years. The packers bought good heavy hogs from \$6.05 to \$6.15 and choice lights from \$6.20 to \$6.25. The shippers bought theirs from \$6.35 to \$6.40. Top \$6.45 for some prime lights. It looks like 6 cents hogs before the month is out.

Yours truly,
DRAGGON, BECKER & CO.

A toy balloon set the grass in Mrs. James Cooney's yard on fire Saturday morning. An alarm was turned in and the grass put out before any buildings caught. It was a very exciting thing. More seemed than usual.

No New High School

The proposed consolidation of the county school districts Nos. 90, 94 and 8, was annulled, on the ground of not having fully complied with the provisions of the law, in section 10827, which provides for a fee of \$15, which was not put up.

The decision on the matter of the consolidating districts Nos. 86, 75 and 92, has not been made public. The case was heard before Prof. Lynch and four arbitrators—Messrs. McAmis, Futsch, Piper, VanDyke and Jones. The majority voted against the proposition, J. F. Jones favoring it at first but changing later. He said afterwards he was glad he did change. The consolidations had in view the forming of some new high schools.

College Notes.

Playing ball? Well I should say so!

We neglected to mention the outcome of the games last week, at William Jewell and Wentworth. It's not much use now as the boys are seeking new fields. At William Jewell, the first game was won 5-2; the second lost, 5-2. At Wentworth, it was a walk-a-way, the score being 16-4.

The two Central games played here this week were about the hardest fought battles we have had here. The first game was played out to the 13th inning, when darkness forced them to stop, with the score 1-1. The game was full of spectacular plays and also the good hard steady fighting that is so necessary to a good game. The second game was somewhat different. Barring the third inning it was another shut out game. In the third, the visitors let down for a brief time and our boys got three men over the home-plate. Goose eggs were certainly plentiful. 24 innings played, 5 runs made all told, and only one man over for the visitors. Good work, don't you think. The college is looking for a fine commencement week this year. It is a fine thing to live in a college town, where one can enjoy the good things brought.

People want to know why Daugherty, Neal and Rollins didn't play this week, we rather wonder ourselves, probably you'd better ask them. It does look a little hard to slam a fellow that way.

The Osteopaths were to have played the M. V. C. ball team Thursday and Friday, but the games were called off. The reason has not been officially stated, but we understand that the home team is temporarily disorganized by several members being off the team.

The Republican reported Mrs. Alice Saunders last week as being critically ill; we are glad to say that she is greatly improved this week. She had an apoplectic attack, and was in a very serious condition. A number of her relatives were during Easter, and it has been an additional pleasure for her to become able to entertain them.

Mrs. Gleason, the matron of the colony, and Dr. Powell, assistant colony physician, gave a reception Tuesday evening, to a number of the young people of the town. The evening was spent in the large assembly hall dancing the music of the Italian orchestra and partaking of the refreshments served between times. The visitors unanimously declared a fine evening spent.

John Elmore was fined in the police court last week for disturbing the peace. The sum was \$25 and costs. The matter is not yet settled, and will probably become a state case. He was charged with having ridden upon the C. & A. platform and in trying to ride into Robertson's bus the owner put a halt to his doings.
